Dear Hiring Manager,

I am writing to apply for the Finance Assistant position at the International Rescue Committee. I recently graduated with a Bachelor's Degree in Accounting and Finance from St. Lideta Health Science and Business College, with a CGPA of 3.85.

I completed a 45 days internship at Amhara Bank, where I gained practical exposure to accounting and finance activities, cash operations, customer service, documentation, and handling basic financial information. This experience helped me develop accuracy, responsibility, teamwork, and a willingness to learn.

I am interested in this position because it is an opportunity to use my academic knowledge and practical experience while developing my skills in a professional organization. I am hardworking, responsible, and willing to learn, and I believe I can contribute positively to IRC's finance team.

I have attached my CV and i would appreciate the opportunity to discuss my application further.

Thank you for considering my application.
